## A word from Rev Simon Pope, our Team Curate.

### A Season of Renewal and Joy

As we step into the beautiful month of March, we are reminded of the changing seasons and the renewal that comes with spring. The cold and stillness of winter give way to the warmth and promise of new life, warmer and brighter days are with us.

This month, we begin our journey through Lent—a time of reflection, repentance, and preparation for the celebration of Christ's resurrection. Christians use this time to draw closer to God, seek His presence in our daily lives, and extend His love to those around us. Whether through prayer, fasting, or acts of kindness, we seek to find strength and joy in His grace.

"Behold, I am doing a new thing; now it springs forth, do you not perceive it? I will make a way in the wilderness and rivers in the desert." – Isaiah 43:19

This powerful verse reminds us that God is always at work, bringing life, hope, and transformation, even in the most unexpected places. We hope to trust in His plan and walk forward in faith.

Do join us this month at any of our events to explore and walk this journey with us, you will find details on our website and Facebook, we'd love to see you!

This is my prayer for this month, do pray it with me -

Heavenly Father, we thank You for the gift of new beginnings and the promise of Your presence in every season of our lives. Help us to embrace Your love, share Your light, and find joy in Your blessings. Strengthen our hearts and renew our spirits we pray, in Jesus' name, Amen.

May this month be filled with God's abundant love and peace. Stay encouraged, stay faithful, and remember—you are deeply loved. Every blessing, Rev Simon Pope (Team Curate)

I don't know if you are aware but there were some van break ins over the weekend (mid Feb) in Haxton and a number of items were stolen. The police think that the offenders were driving an Audi A6, a vehicle people probably wouldn't look twice at if they saw it driving around the area.

## **Netheravon Parish Council News from 13th February meeting at the Phoenix Hall**

The Chairman welcomed everyone to the meeting and apologised for being ill and unable to attend the Council Christmas meal, He thanked the Clerk for organising it, he had heard a good evening was had by all able to attend.

### **Police Report**

Report received and sent out before the meeting, our local police were in attendance and van and garage break ins were discussed as well as poaching on the plain. The Police Officer asked if we could ask people if they have CCTV, as this helps when trying to catch perpetrators.

### **Planning**

Just one planning application for some tree cutting at the Stables, council approved.

### **Phoenix Hall Chairmans report**

With 2 months still to go till end of financial year we have already exceeded last years hire total by £2246.14

Expenditure will increase over the next few months as some maintenance is required.

### **Maintenance and Improvements**

- The dishwasher in the main kitchen has been replaced.
- The fire exit signs have been repaired at no cost.
- We have excepted an estimate for the re-polishing of the hall floor and will be closing the main hall the week of 18<sup>th</sup> August.

### **Looking ahead**

- We have had a church book the main hall every Sunday morning for the rest of the year. They are also booking the hall each Friday evening for their youth club.
- A new band is now using the hall to practice in.
- Finally, we have a new yoga class starting at the end of April.

### **Recreation**

Old School Close – no objections received to the plan on passing Old School Close Park to the Parish council from Wiltshire Council. We have now employed a solicitor to handle the transfer. When complete the council will complete a consultation with the village over future use.

### **Flooding and Adverse Weather**

There has been a problem with the Stream at Lower St being blocked with wood after trees/bushes were cut in December and the wood allowed to fall into the stream that has now caused a dam with a risk to flood. It was reported to MOD in December, January and again at the beginning of the month. We were finally advised to report to Landmarc, which was done and an urgent job has been put in, so due to be sorted by the end of the week. A list of Gullies that need to be sorted out was also passed on to Wiltshire County council.

## Netheravon Parish Council

### Netheravon Speed Watch Group

Still waiting for the report on the 40 mph speed trial that finished in November. It is currently with Cabinet Minister to get signed off. The team has been out 4 times in the last week and one person caught speeding. Our Speedwatch team have been recognised for their volunteering and have been invited to an evening at Durrington Village Hall on the 20<sup>th</sup> February. Chair to attend.

### Report by the Clerk

Our village Handyman has handed in his resignation, and the way forward was discussed. It was decided to contract out the litter bin emptying and get a couple of people to litter pick. A job advert will be put together and advertised shortly. Clerk to put together a list of jobs/ roads that need litter picking including our recreation areas: Millenium Park, Court Farm Road, Corfe BMX Track and in future Old School close Park area.

Hello

I am currently serving with 4 Armoured Close Support Battalion Royal Electrical and Mechanical Engineers (4REME).

My plea is to ask for your support in either donations or spreading the word.

My small team has set up a JustGiving Page with a **target of £25,000**.

We aim to run different events all the way up to Dec 25, currently planning a few such as:

1. Speed Dating.
2. EA Sports Competition.
3. Bingo Events including our local British Legend in the future.
4. Physical events in the future.  
Car Wash Events.

But this alone won't get us close to the target. The REME Charity will be the receiving end of all money raised in 2025.

The REME Charity provides support to serving and retired members of the Royal Electrical and Mechanical Engineers (REME). The charity's goal is to improve the efficiency of the armed forces by enhancing the esprit de corps.

**What the REME Charity does:**

1. Provides monetary grants to individuals
2. Improves the social and professional fabric of the Corps
3. Helps members and former members of the REME who are in need  
Helps the dependents of members and former members of the REME

**Who the REME Charity helps:**

1. Serving members of the REME
2. Retired members of the REME  
Dependents of members and former members of the REME

Any help, support or donations would be very much appreciated!

Thank you,

Kind Regards,

*Woody (Raymond Woodrow)*

Netheravon Mill has had many uses since it stopped grinding corn at the time of the First World War. We are only just finding out about the secret map making which went on there during the Second World War. We have learned about it from Kath Knight (aged 93) that she carried out this top-secret work with other young local women. An outline map was drawn on a large piece of canvas which was then painted; pieces of sponge were then used to show trees and hedges, with rubber for houses. There was a strong smell of paint and glue. They were sometimes put outside to dry, then rolled up and collected by the army (or RAF?). It was chilly work, done on the floor of the mill. We assume they would be used in war zones, but the work did continue after the war. We wonder how long for? Could it have been connected to the parachute training which was going on at the RAF camp?

As a Netheravon man I've been working for Rangers Garage for over 20 years as Service Manager and many of the other staff have worked for the Ranger family business for years.

Along with our busy MOT bay we carry out servicing to all makes of vehicles and specialise in cam belt, clutch replacement,

diagnostics and air conditioning service.

We also have the fantastic Avon Motor Company on site. We have known these guys for decades so if you're buying or selling a car we can't recommend them highly enough.

As well as servicing we are known as the areas largest tyre centre and on our website [www.rangersgarage.co.uk](http://www.rangersgarage.co.uk) we have a very handy online tyre pricing checker; simply enter your registration number and it will find your

vehicle tyre size and give you options of budget / mid- range and premium tyres available to you allowing you to order and make an appointment online for fitting or call us for advice and booking slots.

So, whatever your motoring needs Rangers Garage, Bulford Road, Durrington (established 1920), SP4 8DL has you covered.

**Avon Motor Company**

has been set up by Mark Francis after more than 35 years buying and selling cars in the Salisbury area. Having been employed to run a busy used car dealer locally for the last 26 years, the time came to set up on his own using the experience and customer goodwill he has gained over this time.

Avon Motor Company are based on Bulford Road in Durrington, close to both Salisbury and Andover, a few minutes off the A303 and very near to the army camps in Bulford, Larkhill and Tidworth. Based on a site owned by

Rangers Garage, a very long established family run business and with car preparation and MOT testing carried out through their workshops, Avon Motor Company are able to offer first class preparation and after sales backup.

All our cars come serviced prior and include a 12 month MOT certificate, 12 month AA breakdown cover along with a 6 month AA warranty which allows authorised repairs to be undertaken nationwide, giving our customers the confidence that should the unexpected happen, issues can be dealt with in a professional manner.

Warranty extensions are also available.

We are able to offer car finance through our website or in person from selected lenders including Motonovo finance and Close Brothers.

**Please feel free to contact us if you have a specific requirement for your next car as we may well be able to source exactly what you are looking for.**

**We have years of experience in selling quality used cars and have a great local reputation.**
