A word from Rev Joe Stone, Team Vicar.

"The trees are in their autumn beauty,
The woodland paths are dry,
Under the October twilight the water
Mirrors a still sky;"
• W. B. Yeats

After a lively summer at the vicarage filled with our boys splashing in the paddling pool, the air has turned distinctly crisp. I really enjoy Autumn - hedgerows heavy with blackberries, morning mists settling over the fields, the sharp evening chill, and gathering round the fire on bonfire night.

Lately, catching the growing silver in my own hair, I feel a kinship with those turning leaves. As human beings we are unique in so many ways - we plan, feel, and achieve so much. Yet in the end each of us physically returns to the earth - dust to dust. Even King David—the great warrior and giant-slayer who became king—eventually grew old and shivered under his blankets. Just before he died, he said he was about to go "the way of all the earth" (1 Kings 2:2).

Yet the Christian faith offers hope that even though we will fall and fade like autumn leaves, there is enduring hope. Just as autumn carries the quiet promise of bright spring days and new growth, Christ's resurrection—which the New Testament calls the 'first fruits' of a great harvest to come—offers life beyond our earthly life. In his death and resurrection, winter never has the final word.

Blessings,

Reverend Joe Stone

Many thanks to all who attended and helped to run the Party in the Park 5th September. We were blessed with a sunny day, and the event raised funds for Netheravon All Saints School PTA, for the Netheravon Day Centre, and towards maintaining our beautiful Saxon church.

Netheravon Parish Council News from Council meeting 10th **September 2026**

WELCOME BY CHAIRMAN

The Chairman welcomed all the Netheravon in Bloom winners present and presented them with their certificates and prizes, see article.

REPORT BY WILTSHIRE COUNCILOR

Report sent before the meeting - Cllr Blair Pilling spoke about the amenity tip. Informed the council that they would need to add salt to their precept for next year and spoke about the speed watch support from the Police.

Planning - Since the last Parish Council meeting there have been 2 items for the planning committee to attend to.

PL-2026-04958: 3 Harefield Crescent – A 2-story side extension, and an enlarged porch to the front. Recommendation is to approve as this will add value to the development and not infringe on neighbours.

The committee received 2 letters from parishioners questioning NPC current practice on how it deals with the planning applications it receives. They also gave advice on how to amend NPC practice to best fit in with NALC guidelines. This was discussed at the NPC September meeting.

CORRESPONDENCE RECEIVED

Message received regarding asbestos tipped at Haxton coming down the hill – dealt with by Landmarc,

Email regarding dead tree in Millenium – sent to Landmarc.

Email re more items in Old School Close Park – Council discussed this, it was agreed to ask the handyman to get a quote for a basket swing, and bring to next month's meeting.

Letter re Planning Policy from Member of Public and another with support for it. Cllr Coslett addressed the Council and the Member of Public who wrote it and was present. He said he was grateful for the person bringing it to our attention and that the council would adopt the 4 additional words.

We have approximately 12 planning applications a year and between 40-60% are trees being removed in the conservation area.

The member of public said that the proper officer/clerk could under delegation make sure public were informed.

Cllr Coslett said we would adopt the new policy and send it to the Clerk.

Furnies coffee shop – 5th December scarecrow trail email received about potentially combining the scarecrow trail with the Christmas tree decorating, Christmas carols etc.

The Council thought it was a good idea but felt 4th December a week too early for the tree to go up. Suggested putting it up on the 12th. Was the idea to have the carols etc at the library? As Furnies wouldn't be the best idea for lots of children etc. Clerk to speak to Furnies.

Next Meeting will be 8th October 2026 7pm at the Phoenix Hall.

Netheravon in Bloom

The Chairman welcomed all the Netheravon in Bloom winners present and presented them with their certificates and prizes. He once again thanked them for all their efforts to help keep the village allotments looking lovely and also the work on the village tubs. He especially thanked the allotment volunteers for all their hard work over the last 5 years as they hope to stand back now and hand over the reins to 2 new volunteers, with a little help when needed.

Cheerful Cuppa

July Fundraising

Everyone at Cheerful Cuppa had a wonderful time at our July fundraising event. The Ukelele Band (WUGA) very kindly came to entertain us and we had singing and dancing all morning. There was a very successful raffle with some lovely prizes donated by our generous friends.

All the proceeds were donated to Myeloma UK (£300) with additional funds from donations through the year going to the Samaritans (£100), the Day Centre (£100) and Salisbury Hospice (£300). This was a marvellous total of £800. Thank you all for your generosity.

All the charities thanked us for the donations and Myeloma UK said "CHEERFUL CUPPA Thank you for helping us to get closer to a cure. Thank you so much to everyone who helped to raise £300.00 to support the work of Myeloma UK"

Wiltshire Horn Sheep and dewponds – another glimpse into the past.

There are several reports where shepherds have died on Salisbury Plain in bad weather. The horse drawn shepherd's huts (now popular for holidays) would be positioned near to the flocks and contain small iron stoves for shepherds and lambs. Sheep had to be hardy and the Wiltshire Horn Sheep was just that. It is unusual in that it does not need shearing as it has a short wool and hair coat which it sheds naturally in Spring. The sheep were bred for their meat. The breed came near to extinction during the 19th century as the price of wool rose and there was a move away from horned sheep. Both sexes have horns. The Wiltshire Horn Sheep Society was founded in 1923 and numbers have since increased.

Linked to the sheep rearing economy were the dewponds. Chalk downland is porous and many streams are winter "bournes" only, as in Netheravon. Dewponds were the only sources of water for the sheep and were constructed to collect rainwater. They were lined with puddled clay and straw. Square ponds were a speciality of men (particularly the Cruse family) from Imber who travelled around making and repairing them in summer during the 18th and 19th centuries. Those left today are a haven for wildlife, as is much of Salisbury Plain.

Some recent comments from users of The Phoenix Hall.

"We celebrated the 18th Birthday of our dear nephew. Around 60 family and friends travelled from across the UK and had such a memorable time together. The hall was a perfect size for our gathering and the layout worked really well for hosting. The kitchen especially worked really well as it was very well equipped and had access to the outdoor space and parking without interrupting the main hall. Thank you and we hope to host more events at Phoenix Hall in the future!"

"I just wanted to pass on our thanks for an easy, no stress hall booking and event this morning."
